Job Listing for:

## **Woodwind Repair Technician or Woodwind Repair Apprentice**

Peak Performance Woodwinds in Kansas City, MO is seeking to fill **one of two full-time positions**: A woodwind repair technician, or a woodwind repair apprentice. **Approximate start date April 2024.**

- Starting pay** for Woodwind Repair **Apprentice**: \$15.50/hour
- Starting pay** for Woodwind Repair **Technician**: \$19/hour
- Eligible for **retirement benefits (IRA)** after 6 months working at Peak Performance Woodwinds.
- 7 days **paid time off**.

Peak Performance Woodwinds is dedicated to:

- Artisan level woodwind repair services**
- Customization services for woodwind instrumentalists**
- Design and manufacture of original products**
- Sales of new and used woodwind instruments and accessories**
- Continued advancement of the craft**

### **Duties will include the following:**

- Assisting in repair and servicing of saxophones, clarinets, oboes, flutes, and bassoons.
  - Close communication and collaboration with others in the shop.
  - Fabrication of parts and tools.
  - Tracking work hours and service hours on client instruments.
  - Assisting in representing Peak Performance Woodwinds at tradeshow, conventions, and other events.
  - Assisting in the organization and management of supplies, parts, tools, etc.
  - Interacting with clients, customers, industry professionals, and most importantly the shop pets at Peak Performance Woodwinds (applicants must be comfortable with dogs and cats).
  - Working closely with Will Peak to improve the services offered by Peak Performance Woodwinds.
-

**Additional duties might include:**

- Operating a 3D printer
- Assisting in product design and manufacturing
- Ordering tools and supplies
- Assisting with managing the online store

**Required skills and experience for apprentice:**

- Some prior experience in instrument repair
- Applicable proficiency playing a woodwind instrument
- Good organization and problem-solving skills
- Good time-management skills
- Patient, receptive to guidance and criticism, eager to improve
- Respectful to others, good communication skills, honesty
- Good/comfortable with dogs and cats (PPW is located in my house, and I have three dogs and a cat).
- Physically fit to work safely and effectively in a repair shop.

**Required skills and experience for technician:**

- All of the above requirements
- ~5 or more years of woodwind repair experience

**The following credentials are preferred, but not required:**

- High level of proficiency playing a woodwind instrument
- Competency playing multiple woodwind instruments
- Competency with computers and other technology
- Particular interest in saxophones, clarinets, or oboes.

---

Applications will be reviewed until the position is filled, however we hope to fill the position sometime **prior to the summer of 2025**. The hiring process will include a preliminary interview, bench test, and follow-up interview.

**Qualified applicants should complete the following application form and are encouraged to include a resume. Submit these materials via email to [Will@PeakPerformanceWoodwinds.com](mailto:Will@PeakPerformanceWoodwinds.com).**
