Job Listing for:

Assistant Woodwind Technician/Design Specialist

Peak Performance Woodwinds in Kansas City, MO seeks to add one new full-time member to our team. **Approximate start date September 2025.** This is a unique opportunity for someone who is interested in splitting their time honing their repair skills in a professional woodwind shop AND developing original products for Peak Performance Woodwinds.

-Starting pay \$16/hour

-Eligible for **retirement benefits (IRA)** after 3 months working at Peak Performance Woodwinds.

What We Do:

- Artisan level woodwind repair services
- Customization services
- Design and manufacture of original products
- Sales of new and used woodwind instruments and accessories
- Continued innovation and advancement of the craft

Required skills and experience:

- At least 3 years of woodwind repair experience
- Applicable proficiency playing a woodwind instrument
- Good organization, time management, and problem-solving skills
- Patient, receptive to guidance and criticism, eager to improve
- Respectful to others, good communication skills, honesty
- Good/comfortable with dogs and cats (PPW is located in Will Peak's house, and we have three dogs and a cat).
- Physically fit to work safely and effectively in a repair shop.
- Competency with computers and other technology
- Proficiency with Fusion 360 or willingness to learn it
- Experience with or willingness to learn to use a metal lathe, mill, 3D printer, desktop laser cutter, and other manufacturing tools.
